IN RE: Application of GTE Card Services,	)
Inc. for a Certificate of Public	) ORDER
Convenience and Necessity to Operate	) GRANTING
as a Reseller of Telecommunications	) EXTENSION
Services Within the State of South	)
Carolina.	)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the June 2, 1995 request of the South Carolina Public Communications Association (SCPCA) for an extension of time in which to file its testimony. SCPCA intervened in this case concerning proposed authority for GTE Card Services. A deadline for pre-filing testimony of June 6, 1995 was established pursuant to Order No. 95-244. Subsequently, SCPCA states that it is in negotiations with GTE Card Services, but will not know the results of those negotiations until the due date of the pre-file testimony, i.e. June 6, 1995. SCPCA, therefore, requests an extension until June 8, 1995 in which to pre-file its testimony.

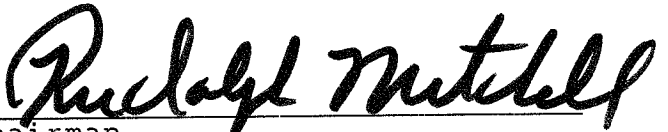

The Commission has considered this matter and believes that the relief sought by SCPCA in this docket should be granted.

IT IS THEREFORE ORDERED THAT:

1. SCPCA shall have until June 8, 1994 to pre-file its testimony in this docket.

2. This Order shall remain in full force and effect until further Order of the Commission.
